

Dear Sponsor,

The Charlotte Garden Club invites you to partner with us as a valued sponsor of our 17th annual **Art in the Garden Tour**, one of the city's most anticipated spring events celebrating creativity, nature, and community.

In 2026, more than **1,000 guests** are expected to join us to explore extraordinary private gardens across Charlotte, where local and regional artists showcase their work in beautiful outdoor settings. The event receives **city-wide promotion**, reaching a broad audience of garden enthusiasts, art lovers, and community leaders.

Your sponsorship not only provides visibility for your brand to this engaged and influential audience—it also helps make a tangible difference in our community. **All proceeds support our mission and vision of cultivating beauty, education, and growth**, including:

- Funding **school and community gardens** that foster learning and connection.
- Providing **educational programs and scholarships** to support horticultural development.

Partnering with us is an opportunity to be part of something vibrant and lasting—a tradition that inspires creativity while growing a greener, more connected Charlotte.

We would be honored to include your organization among our sponsors this year. A sponsorship sheet with visibility levels and benefits is enclosed, and we would love to discuss how your participation can make the greatest impact. We will be contacting you soon to discuss potential partnerships, or feel free to reach out to me anytime.

We look forward to a wonderful event!

Warm regards,

A handwritten signature in black ink that reads 'K Campbell'.
